REACH 2009 Special Guests!

We warmly welcome **Mr. & Mrs. Joseph Womac**! Joe is the Executive Director of the Fulcrum Foundation, and is responsible for directing the Fulcrum Foundation's overall operations. Joe is committed to keeping Catholic schools open and accessible to all, and has worked tirelessly on behalf of Holy Family Parish School. We are grateful for Joe's continuing support and dedication to our parish and school community. Thank you, Joe Womac!

We warmly welcome **Amici**! Amici is a service organization of people in their 20's and 30's dedicated to supporting Catholic schools in the Archdiocese of Seattle. Sponsored by the Fulcrum Foundation, Amici had been in the planning and organizational stages for about three years before swinging into action this past summer. Led by Chair Kristen Kirst, director of major gifts at Eastside Catholic School, the group worked to get educated on the state of Catholic education in the archdiocese. They have adopted Holy Family School to help with fundraisers and also plan to expand their interaction with Holy Family School by mentoring students and making classroom visits. Welcome Kristen and Amici members!

We warmly welcome **Mrs. Colleen Terlicker**! Mrs. Terlicker is the mother of Randy Terlicker, a Holy Family School Alumn and firefighter who perished in the 1995 Pang Warehouse fire. Our Fund an Item is in honor of Randy Terlicker and the endowment Mrs. Terlicker established to help assist those families in need to attend a Catholic school.

Dear Friends of Holy Family School,

Thank you for your participation in the 2009 Holy Family Reach Auction. In the course of my years as pastor, I have run into many graduates of our parish school. They often share a memory of a religious sister, a lay teacher or a priest, such as the venerable Monsignor Ailbe McGrath. Holy Family School gave them a solid basis for their lives. They not only learned the fundamental skills of reading and mathematics, but much more important, they learned moral teaching and religious teaching – especially how to relate to Jesus in prayer and the sacraments.

That eighty year tradition of excellence is still alive at Holy Family Parish School. I am proud of our dedicated principal, staff and faculty. I thank you for your presence and for your financial support of Holy Family School. It is the best investment you can make because it will determine the future of our children.

Thank you and God bless you and your families.

Sincerely in Christ,

Fr. Phillip Bloom

Dear REACH Participants,

Holy Family Parish School has served the South Seattle Community for 81 years. Your generous participation in the auction validates and affirms our school's Mission, 'to instill Christian Discipleship in a diverse community that nurtures and educates the whole person through active faith, academic development, and dedicated service.'

We partner with the parents, the primary educators, to provide a quality Catholic education. Tonight, you are sharing the blessings of time, talent and treasure in helping us to continue with this good work.

On behalf of the Administration, faculty, staff, students and parents, I want to extend my heartfelt gratitude for your presence and active participation in the Auction.

I would like to in a special way, thank Sandy and Fred Cavazos, the Auction Chairs. Their servant leadership was essential in making this evening possible. Thank you, Fred and Sandy for empowering and supporting the many volunteers who worked so hard to make this a special fundraiser and community builder.

God Bless,

Frank Cantwell

Dear Friends of Holy Family,

We thank you for your generous support of our Holy Family Parish School REACH Auction. Your commitment and involvement to the school has been instrumental in the success of this year's Auction.

Our deepest thanks go to Mary Horn, Frank Cantwell and Anca Wilson and all the wonderful volunteers that have helped with this year's Auction. Without all of their hard work and dedication, we would not have been successful.

We again are back home for this year's Auction. What a way to celebrate the great work that has been accomplished, and to recognize the work that still needs to be done.

Your presence and support here tonight will provide the children, now and in the future, the legacy of Catholic education that will live with them forever.

Sincerely,

Fred & Sandy Cavazos

Fund-An-Item 2009

Randy Terlicker Endowment Fund

REACH 2009 Fund-An-Item presents us with an important Stewardship opportunity.

The Randy Terlicker Endowment Fund will establish a scholarship fund for students to attend Holy Family School where Randy was taught and enthused into a man honored for his bravery and compassion. A former Holy Family School student, Randy lost his life in the line of duty as a firefighter on January 5, 1995.

The Terlicker family is committed to giving hope for all children that they may have the same opportunities Randy and his brothers and sisters benefited from at Holy Family School. The Randy Terlicker Endowment Fund will make sure the promise of quality education is available for generations to come.

The Terlicker family wishes to thank all participants in tonight's Auction and offer a heart-felt thank you for donating to The Randy Terlicker Endowment Fund.

Dessert Auction

We have many wonderful gourmet desserts to choose from this evening! Please take a look at the Dessert Table and then start the bidding with the bid sheet on your table. The table with the highest bid will get to choose their favorite dessert first. This is a sweet way to end a delicious meal! All proceeds from the dessert auction will benefit the faculty fund.

Centerpieces

The centerpieces at your table have been handmade with love by the students at Holy Family Parish School. Each one is unique; Mrs. Royal and Mrs. Budde worked closely with the students to create these beautiful centerpieces! The names of the student artist(s) are listed near the bid sheet at your table. You will want to take these designs home to put in a special place. Our Auctioneer will let you know when the bidding is over and when the bid sheets will be collected. Don't miss the opportunity to make one of the centerpieces your own!
