- B. Holy Family Parish School admits qualified students of any race, color, national and ethnic origin in administration of its educational policies and scholarships. Students possessing physical or emotional disabilities will be evaluated on a case-by-case basis.

- D. Normally, no more than 30 students will be accepted in each classroom for grades K-8. A waiting list will be established as soon as classes are filled. Exceptions may be made at the discretion of the Principal. Pre-Kindergarten will be limited to 10 students in the morning, and 10 students in the afternoon.
- E. Once a student is accepted into the school and is in good standing, he/she will retain his/her eligibility for continued enrollment. As openings occur for each grade level, applications and registrations will be considered on the following priority basis:
  1. Students of families who have children presently enrolled in the school, Catholic or not.
  2. Students of applying families who are registered, supporting and active members

- of Holy Family Parish.
3. Students of applying families who are registered in Holy Family Parish.
  4. Students of applying families who are registered in other Catholic parishes.
  5. Students of applying non-parishioner families.
- F. Final acceptance will be communicated to all new families admitted for the following school year.
- G. **A child must be 5 years of age by August 31<sup>st</sup>** for entrance to Kindergarten.
- H. **A child must be 4 years of age by August 31<sup>st</sup>** for entrance to Pre-Kindergarten.

All new students must submit copies of birth certificates and immunization forms prior to the first day of school.

## **ACADEMIC POLICIES**

---

### **ACADEMIC REQUIREMENTS FOR GRADUATION**

A student must have a minimum of a 2.0 GPA and pass all core subjects (Religion, Mathematics, Language Arts, Science, and Social Studies) to graduate from the 8<sup>th</sup> Grade of Holy Family Parish School. In special circumstances, the Principal has the authority to allow a student to graduate with lower grades.

### **ACADEMIC REQUIREMENTS FOR PROMOTION TO THE NEXT GRADE LEVEL**

In order to be promoted to the next grade, students must have a minimum of a 2.0 GPA and a minimum grade of (C-) in all core subjects (Religion, Language Arts, Mathematics, Science and Social Studies). Students who do not meet these requirements may meet with an Academic Board consisting of the Parents, Principal, Assistant Principal, and appropriate teachers to discuss being promoted in an Academic Probation status. The Academic Board will outline steps that the student must follow in order to remain at Holy Family Parish School. These steps may include, but are not limited to, summer school, tutoring, etc.

### **PROBATION**

Probation is a status or trial period for a student whose continuing presence at Holy Family Parish School is in question due to academic or behavioral concerns.

### **ACADEMIC PROBATION**

A student will be placed on academic probation when his or her overall grade point average on any trimester report card is below 2.0, or when a Religion, Language Arts, Math, Science, or Social Studies grades fall below a (C-). The Principal will determine the probation period. The student's homeroom teacher will meet with the student and his or her parents. They will develop an Academic Plan to help the student improve his or her grades. The student must follow this Academic Plan. If an improvement is not made during the probation period, the student may be asked to withdraw from Holy Family Parish School.

## **CHEATING POLICY**

Holy Family Parish School encourages that all students do their best. However, if a student is cheating on a test or an assignment the policy states: the student cheating will receive a zero on the test or assignment, and the student allowing the cheating will also receive a zero on the test or assignment. Students involved in cheating will automatically receive an after-school detention.

## **CLASS SIZE**

Holy Family Parish School provides one class for each grade level, Pre-Kindergarten through eighth grade. First grade through grade eight will accept 30 students. Kindergarten will accept no more than 15 students for the morning session and 15 students for the afternoon session. Pre-Kindergarten will accept no more 10 students for the morning session and 10 students for the afternoon session. Exceptions may be made at the discretion of the Principal.

## **CURRICULUM**

The basic curriculum is within Washington State and Archdiocesan requirements and provides the harmonious development of the students', spiritual, moral, physical, emotional and intellectual growth. Holy Family Parish School provides a program which includes classes in the following subjects: Religion, Reading, Math, Language Arts, Social Studies, Science, Music, Art, Physical Education, and Computers. Extra-curricular activities include Band, Student Council, Youth Choir, Catholic Youth Organization (CYO) and Safety Patrol. Curriculum objectives, under the guidelines of the Archdiocesan Board of Education, are periodically updated.

## **HOMEWORK**

By reinforcing, enriching and building upon what is learned at school, homework can challenge students to use their new skills creatively and constructively. It can nurture self-discipline and independent study habits as well. When parents are interested and involved, homework can become a common goal, a time to work together and an opportunity to offer the individual instruction not always available at school. Parents who take an active role in the homework also

let the child know that they consider the work important. **Many problems regarding homework can be avoided if parents consult with the teachers as soon as difficulties are perceived.**

Homework shall be assigned on a regular basis in relation to the development level and the needs of the students.

The following is the average amount of time to be spent on homework Monday through Thursday:

<b>Kindergarten</b>	10 - 20 Minutes
<b>Grades 1 &amp; 2</b>	15 - 40 Minutes
<b>Grades 3, 4 &amp; 5</b>	30 - 60 Minutes
<b>Grades 6, 7 &amp; 8</b>	45 -120 Minutes

If a student consistently needs to spend more time on homework than recommended (without television and other distractions), the teacher should be notified, and adjustments will be made.

A policy of requiring extra credit work is considered within the domain of the individual teacher, and is neither required nor restricted by school policy.

Long-term projects may involve homework on the weekends. The teacher will monitor the progress of long term projects. Middle school students may periodically expect homework on the weekends. This will better prepare them for high school.

The following tips should help make the time spent doing homework rewarding for all:

1. Help your child see homework as a necessary and valuable activity.
2. Set up a well supplied, comfortable and distraction free place for your child to work. (A phone and TV are generally not considered good study aids).
3. Set a homework time. It will help your child recognize it as a priority.
4. Reinforce the idea that homework is a student's personal responsibility.
5. When your child asks for help, make sure you both understand the assignment - and its purpose. Give just enough help to get the student started.
6. Assist your child in organizing all homework and necessary supplies the night before in a designated place.

## **HONOR ROLL**

Honor roll for Grades 5-8:	3.33-3.49	= Honors
	3.50-3.74	= High Honors
	3.75-4.0	= Highest Honors

Students receiving a minus in the Christian/Social Qualities section will not make Honor Roll.

## **MAKE-UP WORK**

In grades 5 – 8, students are held responsible for making up assignments missed through absence. When returning to school, it is the responsibility of the student to ask for assignments missed during an absence. When a child is absent from Pre-Kindergarten through 8<sup>th</sup> grade for an extended length of time (**more than two days**), parents should make arrangements with the teachers for work to be sent home. Arrangements to pick up work should be arranged through the

office. Such work may be picked up at the end of the day so that instructional time is not interrupted. It is more difficult for a middle school student to understand homework without getting the class instruction.

## **PARENT CONFERENCES**

Mandatory formal parent - teacher conferences are held during the first trimester with an optional conference in the third trimester. **Students in grades 1-8 need to attend conferences with their parents.**

The home and school have a joint responsibility for a child's development. What happens to students in either place affects their total behavior. Individual parent - teacher conferences are among the most satisfactory means of establishing this cooperation. Teachers are not available for conferencing before or after school unless scheduled ahead of time. Contact the school office to schedule a teacher conference. We ask that parents respect the teachers' time with their own families, and refrain from calling them at home.

## **PROGRESS REPORTS**

Frequent communication between home and school is encouraged regarding your child's academic progress. A report of the student's progress in grades 4-8 will go home the first and second mid-trimesters to keep the families informed of student progress. Progress reports are not part of a child's permanent school record.

Parents are encouraged to confer with teachers if these reports warrant their concern. Appointments should be made with the teachers concerned. To assure sufficient time, appointments should be pre-arranged. Such meetings should never be attempted during class hours or recess periods.

## **RELIGION**

Holy Family Parish School exists to teach the message of Jesus Christ to its students. Therefore, Catholic religion is of primary importance in the curriculum. Christian attitudes and actions are integrated into the complete day.

Parents, rather than the school, bear the greatest influence regarding attitudes toward Mass attendance. Attending Sunday Mass is expected of all Catholic school families.

1. Students attend Mass as a school once a week.
2. Religion Class- Religion is taught regularly as part of the school curriculum. Holy Family Parish School uses a text that is approved by the Office of Education of the Archdiocese of Seattle.
3. Sacramental Preparation -Follows Archdiocesan policy that Sacramental Preparation occurs on the parish level, supplemented by instruction in the classroom. The current norm is for First Penance and First Eucharist to be received in second grade.
4. Sacrament of Reconciliation- Reconciliation is made available to the students throughout the school year. This should not take the place of the students receiving this sacrament on their own or as a family.

Non-Catholic students are expected to attend religion classes and participate in all school religious events.

## **REPORT CARDS**

Trimester report cards are issued at the end of each trimester (12 weeks). We encourage parents to discuss these reports with their children and to work cooperatively with teachers in their efforts to help students develop to their potential. Report cards are not intended to provide a complete evaluation of a child's progress. They are tools of assessment used to measure a student's achievement and performance. A conference may be scheduled when needed to give a more complete view of a child's overall progress. If any student's work or the report card itself warrants concern, parents are encouraged to contact the teachers.

## **SCHOOL RECORDS**

### **Educational Records:**

Student records are available to parents and others as provided by Federal Law: Title 45, Code of Federal Regulations, Part 99: Privacy Rights of Parents and Students, passed June 17, 1976 (amended January 25, 1977). The school abides and will grant non-custodial parents the right of access to information and to unofficial copies of records, unless there is a court order to the contrary on file in the school office. The court certified custody section of the divorce decree must be filed with the Principal.

All information relating to Holy Family Parish School students is held in strict confidence. Parents may request to examine the student's permanent record folder and/or test results by contacting the Principal. Please make your request at least 24 hours before information is desired. The school has 5 school days to honor this request.

Student addresses, telephone numbers and class lists are also considered confidential. It is important that parents inform the school of any change in address, phone number, marital status, etc. Requests from families not to have telephone numbers given out (printed in the Parent Roster) will be honored, but this must be made known to the office during the first week of school. Please indicate on the emergency form if your phone number is unlisted.

### **Health Cards:**

Health cards and immunization records are required for every elementary and middle school student. They are transferred to the new school at the time of a student's transfer.

### **Permanent Record Cards:**

Permanent record cards are required for every student. This record is kept permanently at the school, photocopied at the time of a student transfer. Permanent record cards are retained at the school building indefinitely, and they are never destroyed (Washington State Law- Private School Approved).

### **Attendance Records:**

Student attendance is recorded daily at the beginning of the school day. Attendance records are kept permanently on file.

## **DISCIPLINE AND WEAPONS POLICIES**

---

**The Principal has the right to carry out or amend any aspect of the discipline policy, or any other policy warranting suspension or expulsion, such as a weapon violation.**

Discipline at Holy Family Parish School presupposes a joint effort of both home and school. It should be considered an aspect of moral guidance and not a form of punishment. Our teachers have an obligation to educate the whole child, not only for the present, but also for the future.

The purpose of discipline is:

1. To provide a classroom situation conducive to learning.
2. To promote character training, to cultivate the virtues that insure right living, and redirect disorderly tendencies.

Discipline is based on the fundamental Christian principle of respect for the person of Jesus Christ in each individual. Should a student choose to disregard consistently these principles, parents will be involved in cooperative remedial action after the school has attempted corrective discipline. Teacher authority can be only as effective as the backing received from home. Continued refusal to support the school in its disciplinary action is destructive to the student and lead to real questions as to the justice and value of continued enrollment in Holy Family Parish School. For major disciplinary action, parents/guardians are contacted. Students may also be asked to call parents as to the reason for discipline.

If after concerted effort on the part of the parents and school there seems to be no indication of behavior modification on the part of the student, suspension and/or expulsion will be considered.

### **DISCIPLINE PROCEDURE**

Guidelines for effective discipline: "DISCIPLINE" means all forms of corrective action *including suspension or expulsion*. It shall include the right of a teacher to exclude a student under the teacher's immediate supervision from his/her individual classroom instruction or activity area for all or any portion of the balance of the school day. It shall also mean the exclusion of a student from any other type of activity conducted by or on behalf of Holy Family Parish School. It shall also include loss of recess or an after school detention.

*For Grades 1 – 5, homeroom teachers will determine grade appropriate consequences for infractions of school and classroom rules. If the homeroom teacher determines the infraction is serious, the teacher will inform the Principal. The homeroom teacher and the Principal will document all serious infractions. The Principal and the teacher will determine an appropriate consequence.*

*For Grades 6 – 8, all Middle School teachers are responsible for the Middle School discipline procedures. Any teacher who documents an infraction of Holy Family Parish School rules should forward a Discipline Slip to the homeroom teacher. Homeroom teachers will keep track of infractions of discipline. The first infraction may warrant a warning in the determination of the homeroom teacher. The second infraction will warrant detention. The teacher or administrator giving detention will specify the details of the detention. After the second infraction, the homeroom teacher will contact a parent to discuss the student's behavior. The third infraction will warrant another detention. The consequence for the fourth infraction will be Saturday*

*School for the student. Saturday School will be at the discretion of the Principal, but will usually mean a minimum of two hours on a Saturday morning. The student will be performing actions on school grounds as dictated by the Administrator or teacher conducting Saturday School. The fifth infraction will cause the student to be suspended for a day. After the fifth infraction, the Pastor (or his delegate), Principal, and the parents will meet to determine the appropriate course of action. The Principal will inform the parents that if these infractions do not stop, Holy Family Parish School will ask the student to leave. The Principal will maintain a record of all serious infractions, suspensions, and expulsions. At the end of each trimester, teachers will set the number of infractions towards increased consequences back to zero for all students.*

Holy Family Parish School strives to maintain a safe, respectful, Christian environment. Major offenses may require skipping steps and warrant immediate conference with suspension, required withdrawal or expulsion. Violence of any nature will not be tolerated. Violence can manifest itself in many ways, including intimidation, or harassment, with or without weapons.

- Harassment/ threat of harm/ intimidation/bullying
- *Any form of electronic harassment on or off the Holy Family Parish School campus*
- Smoking on Parish property.
- Use or possession of illicit drugs or alcohol.
- Malicious and serious destruction of Parish property or that of another student.
- Leaving the school grounds without permission.
- Fighting/play fighting.
- Insubordination (defy school authority).
- Abusive/foul language.
- Stealing.
- Vandalism, which includes damage, destruction, or defacing school property.
- Repeated disruption of the learning environment.
- Arson.
- *Disrespectful behavior in Church*
- Forgery of documents and/or signature of parents or school.
- Conduct, whether inside or outside of school, that is detrimental to the reputation of the school.

## **GUM CHEWING**

Gum chewing will not be tolerated on the school premises at any time. This includes medication gum. Students caught chewing gum at Holy Family Parish School will be given a 30-minute detention after school for their first offense. Students caught a second time will be given Saturday School. Students caught a third time or more will be suspended for one day at a time.

## **ELECTRONIC DEVICES**

*Students must keep all electronic devices (such as cell phones, I-Pods, etc.) turned off and in their backpacks. If an electronic device is found outside of a student's backpack, the teacher will confiscate the device and give it to the Principal. In order for the Principal to return the device to the student, a parent must contact the Principal. The student will also follow the consequences that can be found above in Discipline procedures. Unauthorized use of an electronic device during the school day will be considered a major school offense and could warrant a suspension.*

## **WEAPONS (POSSESSION OF WEAPONS OR USE OF OBJECTS AS WEAPONS)**

It is a violation of school policy for any person to carry onto school premises, school provided transportation, or facilities while being used by the school:

- Any firearm
- Any dangerous instrument of any kind such as a sling shot, sand club, blackjack, billy club, metal knuckles, or any knives, or box cutters
- Any device commonly known as “nun-chu-ka” sticks: consisting of two or more lengths of wood, metal, plastic or similar substance connected with wire, rope, or other means

- Any object which looks like a weapon, such as a toy or “dummy” gun, knife, or grenade.

Any weapon will be confiscated and disposed of in an appropriate manner as deemed by the administration, i.e. call the police, parents or guardians.

**Carrying a firearm and/or ammunition onto school premises, school provided transportation, or areas of facilities while being used by school may result in immediate expulsion. Carrying a dangerous weapon onto school premises, school provided transportation, or areas of facilities while being used by school may result in expulsion. Police will be notified.**

**Any student who makes a verbal or physical threat *of violence*, or who makes a threat about *weapons* or explosive devices will be considered for suspension or expulsion and the police will be notified pending an investigation.**

### **Hearing Procedure for Required Withdrawal or Expulsion:**

If a student has been asked to withdraw or be expelled from the school, the parents/guardians may request a hearing from the school for consideration. The request for a hearing must be made within five school days of the required withdrawal or expulsion.

If a hearing is requested, the school must be notified within five school days after the parents/guardians have received notification of the student’s required withdrawal or expulsion. If a reply is not received within this five-day period, the student and parents/guardians are deemed to have waived a hearing and the required withdrawal or expulsion from Holy Family Parish School takes effect. If a hearing is requested, it is held within five school days of such a request.

The hearing committee will consist of the Pastor or his designee, the Principal and a teacher. The Principal has the right if necessary to exclude the student from all school activities during the time of the hearing procedure. The final decision of the hearing committee will be submitted to the parents/guardians within five days of the hearing. The decision of the hearing committee is final.

### **Positive Reinforcement for Good Behavior (Middle School)**

Holy Family Parish School encourages good behavior at all times. Good behavior is the right thing to do and encourages other students to behave properly as well. At the discretion of the homeroom teacher, Holy Family Parish School offers the following for students who behave in accordance with school expectations the following:

1. If a student has no detentions in a calendar month (except August), the student earns a No Homework Pass.
2. If a student has no detentions in a trimester, the student earns a movie. The home room teacher will determine the movie and the time the movie will be watched on school grounds.

## **SCHOOL POLICIES**

---

### **ATTENDANCE AT SCHOOL**

Experience has proven that students find it difficult to make up work, which they have missed because of absence from school. No amount of subsequent personal study can adequately replace the teachers' explanation and the class drill or discussion. For this reason, we ask that you make every effort to have your student in attendance. We ask that you reduce absences from class to an absolute minimum. **Parents are to call the school office before 9:00 AM (206-767-6640) if a child is to be absent for any reason. If the parent does not call in to school, the school will telephone the parent at home or work.**

If absence or tardiness is unavoidable and anticipated, a note indicating the date of the absence or tardiness and their reasons must be presented to the teacher in advance. Students returning to school after an absence must have a note signed by a parent or guardian explaining the reason for the absence. A student who is not well enough to be outdoors or fully participate in classroom activities should be kept at home. A student should not be in school if he/she has had a fever over 100 degrees within a 24-hour period.

### **ATTENDANCE POLICY**

**Established by Holy Family Parish School Commission, June 2000**

Students are not allowed more than eight absences per trimester. Medical absences in excess of 3 days need verification from a doctor. Any absences for reasons other than illness/medical reasons in excess of 3 days will be excused only if approved by the Principal. Exceptions for emergencies will be made on a contingent basis. Should a student exceed the number of allotted absences, that student may face various consequences including being placed on probation, retention in the current grade, showing competency in the current grade that is satisfactory to student's teacher and Principal that would allow for promotion or withdrawal from Holy Family Parish School.

## **APPOINTMENTS**

When it is necessary to have a student dismissed for a period of time during a school day, the parent or authorized person is to report to the school office. Parents are to wait in the office for their child. The secretary or Principal will summon the student from the classroom area. Teachers have been instructed to dismiss students to the main office in grades 4 – 8. The Office Administrator or the Secretary will escort all other students to the main office.

## **CALENDAR AND NOTICES**

School calendars will be sent home in the communication envelope. Should you not receive one, please notify the school office. The school calendar is subject to change, but not without sufficient notice. Please refer to the latest monthly school calendar. Should a change be made after the school calendar is out, you will be notified via the communication envelope or a special flyer.

## **COMMUNICATION**

All letters, calendars, notices, etc., go home through the Tuesday Family Communication Envelope (FCE) with the oldest student in the school. It is very important that you read the information enclosed, sign the envelope by the appropriate date and return it to the school the next day. If it is lost, we will reissue another after a call or a note from you with a \$1.50-replacement fee.

**Materials other than staff initiated communication may not be distributed or sent home with students without prior authorization by the Principal.** Any material that is sent out in the FCE needs to be in the school office by Friday at 3:30 PM. School authorization does not necessarily imply endorsement of those materials.

Each classroom has an Office Envelope. Notes to the Principal, tuition, and other items of office business go to the homeroom teacher, not directly to the office. Private notes to teachers and Principal should be sent in a sealed envelope.

## **COMMUNICATION WITH PRINCIPAL AND FACULTY**

All parents are welcome to contact the Principal and faculty to ask questions, and/or make suggestions. Calls should be made through the school office. If a teacher cannot come to the phone at that time, your call will be returned. Teachers are on duty each day until 3:30 PM. As a courtesy, please call and schedule an appointment rather than just dropping in. This will ensure that the teacher will be available to discuss your concerns.

Any difficulty involving a child with a particular teacher should always be discussed with that teacher first. If the matter is unresolved, the Principal will be available for a three-way conference. Please contact the Principal or the classroom teacher at once if you wish to issue a complaint, or if something is not understood. **Discussing the problem with other parents does not resolve the situation, and it often aggravates it.** Out of fairness to the teacher, we ask that you learn both sides of the story before forming an opinion. Open communication between home and school is very important.

## **EARTHQUAKES**

Students have been instructed as to the proper safety precautions in the event of an EARTHQUAKE. Students will remain at school until parents come for them. If you have made arrangements, please let us know. If you cannot get through to the school for whatever reason, please call our earthquake contact person- Kris Budde in Spokane at 1.509.523.5232.

## **FIELD TRIP TRANSPORTATION POLICY**

Bus transportation is the most desirable method to be utilized for any field trip, and whenever possible, this mode of transportation should be provided. However, there are times when private passenger vehicles will be used for field trips.

If a private passenger vehicle is used, then the following information must be supplied and the driver must certify this information.

- The driver must be 21 years of age or older.
- The driver must have a valid, non-probationary driver's license and no physical disability that could in any way impair his/her ability to drive the vehicle safely.
- The vehicle must have a valid and current registration and license plates.
- The vehicle must be insured for the following minimum limits:  
\$100,000 per person/ \$300,000 per occurrence.
- A signed Driver Information Sheet on each vehicle must be submitted to the office prior to the field trip.
- If the driver drives any students other than his/her own child, the driver must have had a Background Check and Safe Environment Training.

Each driver and/or chaperone should be given a copy of the approved itinerary including the route(s) to be followed and a summary of his/her responsibilities. There should be one adult for every ten students.

## **HOT LUNCH**

Holy Family Parish School has its own Hot Lunch Program. A balanced hot lunch is served daily. The price for lunch is \$3.00. If a student does not pre-order and pre-pay for lunch, the student can still have lunch, but it will cost \$4.00. The students' parents will be billed at the end of each month for these lunches. If milk is purchased separately, the cost is \$.40. A hot lunch menu calendar/order form will be sent home in the FCE.

## **INCLEMENT WEATHER**

When inclement weather makes it necessary to close the school, parents will receive notice by radio stations (KOMO, KING, and KIRO) and TV channels (KOMO, KING, and KIRO). Please listen to early broadcasts between the hours of 6:30 AM and 8:00 AM. Please do not call the rectory or the school. If there is no school, there will be no BASS services. If it is a late start and we open late, school will begin at 10:00 AM. There will be no AM PreKindergarten or AM Kindergarten class. There is no morning BASS services on late opening days, which means students can not be dropped off at school until 9:45 AM. Please do not drop off your student at school when there is no adult supervision, this includes dropping students off at Church. If it should happen that the weather turns hazardous during the school day, the parents, who are able

to pick up their student(s) early, are expected to do so. For those parents who work or cannot pick up their child, the student will remain at school until they can be picked up.

## **INJURY OR ILLNESS**

Children who are ill must be kept home until they have recovered sufficiently to return to the regular routine of school. When a child is too sick to go outside at recess, that child is too sick to be at school. **A student should not be in school if he/she has had a fever over 100 degrees within a 24-hour period.**

In the case of a serious injury, a school staff member should call 911 and request emergency assistance. School staff will then notify the parents and the Principal. School staff will also notify parents of any head or neck injury no matter how minor the injury may seem. School staff members should treat all wash and cover all injuries. Children will not be sent home unless someone is available to care for them. When picking up a sick child, parents must sign the child out from the office.

## **LITURGY**

On Holy Days of Obligation, Holy Week, first Fridays of the month, and Thursdays (except when Friday is the first Friday of the month.), classes take turns planning an all school liturgy for the 8:30 AM Mass. Parents are invited and encouraged to attend.

In order to foster the habit of daily prayer in our lives, the school day begins and ends with a prayer. We are each encouraged to use these and other opportunities to recall God's blessings and the need of God's presence everywhere.

## **LUNCH ROOM**

The lunchroom should be a place of quiet relaxation. Students should be taught not to waste food, to eat all their lunch, to observe acceptable table manners and converse in quiet voices. Below are a list of rules to be observed while in the lunchroom. Failure to follow these rules will result in loss of recess or after school detention.

### **Lunch Room Rules:**

- Come to the hall for lunch quietly and respectfully.
- There is absolutely no running in the hall.
- Follow directions the first time they are given.
- Use a normal conversation voice, no yelling or shouting is allowed.
- Do not throw food or objects.
- Wash your table space before being dismissed. Throw all garbage and pop cans in the proper receptacles. Sweep under your tables.

## **MEDICATIONS**

Any student requiring any type of oral medication, including all prescription and non-prescription medicine, must have the oral medication form signed. The school will administer medication to students only when the following criteria are met:

- Necessary medications are provided by the parent/guardian and kept in the school office. No medication is to be kept in the classroom.

- Written request and instructions for the administration of medication at school must be provided by the parent/guardian and the family physician, dentist, physician assistant, nurse practitioner or anyone in the doctor's office who has prescription signing authority. (Authorization forms are available from the school office.)

Only trained staff members will administer medication. This policy applies for all medications, prescription and over the counter (e.g. aspirin, Tylenol, cough drops). Parents of students with special needs should inform the school office and the student's teacher of pertinent information.

**NO MEDICATION WILL BE KEPT IN THE CLASSROOM OR CARRIED BY STUDENTS AT ANY TIME UNLESS AN EXCEPTION HAS BEEN MADE BY THE PRINCIPAL OR PHYSICIAN WITH REGARDS TO AN INHALER FOR ASTHMA.**

### **PARENTAL COOPERATION**

Parental cooperation is essential for the welfare of students. If, in the opinion of the administration, parent behavior seriously interferes with the teaching/learning process, the school may require parents to withdraw their children.

### **PARKING AND TRAFFIC REGULATIONS**

Please pick up and drop your student(s) off in the rectory parking lot. If you must wait any length of time for your student(s), please wait on the south end of the parking lot and use the north end for picking up students already waiting at the fence. The street in front of the school (20th Ave SW) will be closed off between the following times: 8:00-8:30 AM and 2:50-3:15 PM. You must enter the rectory parking lot from the alley between 19th and 20th Ave SW, and exit onto 20th Ave SW **to the south**. Please do not park or pick up students in the east lot next to the church. All students and adults are required to obey traffic regulations.

In the afternoon, the teachers will take the students to the Church parking lot where they will remain behind a rope until their parents drive into the first row of the parking spaces opposite the children. The rope will come down and the children will go to the cars in the first row. Once the cars are loaded, the rope will go back up, and the cars will be cleared to drive off. If a car is in the first row, and your child has not arrived, you still must drive around the parking lot and get in the back of the line. The cars behind will fill into the spaces and the procedure will repeat itself until all the children are picked up. If a parent has not arrived by 3:15, the teachers will bring the student to BASS.

### **PARTIES**

Prior to the day of the occasion, the Principal must approve any party for a staff member or an individual student. Classroom parties will be determined at the discretion of the classroom teacher. Birthday celebrations in school should be limited and left to the discretion of each homeroom teacher. **If you want to help with your child's homeroom, you must contact the teacher beforehand.** Please do not bring in whole cakes or liquids for birthdays as it makes it difficult for the teacher to serve these items. Invitations to parties are not to be passed out in school unless everyone is invited. Please use the mail or telephone to make these arrangements. Hurt feelings result when it is obvious that some children are not included in an invitation.

## **PLAYGROUND**

The playground supervisor, school staff, or volunteers will supervise the playground during all recesses. Students are required to respect all playground staff and show them the courtesy they have the right to expect from the students. The teachers will also take an active roll to ensure their students will follow all playground rules.

### **Playground Equipment:**

No hardballs or baseball bats are allowed at school on the playground.

Jump ropes are to be used for jumping only and used in a manner, which will not interfere with other games, or cause harm to the student or other students. (No swinging overhead or tying someone up).

Playground rules are designed to ensure the safety of all students and provide an environment in which children can enjoy their recess/break time with classmates.

- Follow all directions given by teachers and/or parent volunteers.
- Use all playground equipment properly.
- Stay within school boundaries.
- Report any injuries to the playground supervisors.
- Be respectful to everyone at all times.
- No sitting on stairs leading up to the playground.
- Request permission from the playground supervisor before leaving the playground.

Fighting of any kind is not allowed. This includes play fighting. Fighting or play fighting will result in suspension or further disciplinary actions.

Students are not allowed to throw snowballs or ice on or around the school and parish buildings.

## **POLICY FOR WITHDRAWING**

In the event students are withdrawn from school, parents are asked to follow this procedure: Notify the school of the withdrawal via a note with a copy sent to the Principal, the student's teacher, and the school secretary. All financial obligations must be met before records are released. Contact the school secretary to request transfer of your records.

## **PROCEDURES FOR BEFORE AND AFTER SCHOOL**

### **Before School**

Students are asked not to arrive until 8:00 AM. The school doors are opened at 8:10 AM. Students who arrive after 8:20 AM must report to the office for a tardy slip, which must be presented to the classroom teacher.

### **After School**

Students should wait in the parking lot. If Parents are late in picking up their children, teachers will bring and sign in the students to BASS until their parents arrive.

No student is allowed to leave the school grounds during school hours without explicit written permission from his/her parent or guardian. This must be verified through the school office.

## **ROOM PARENTS**

There is a room parent assigned to each grade. The parent will assist the teacher in preparing class parties and other activities outside the classrooms.

## **SAFETY PATROL**

The school safety patrol is an organization of the students in grades 6 through 8. They are trained to protect the students at the intersections and in the rectory parking lot. Their service is vital to the safety of all students. They deserve everyone's respect and cooperation.

## **SCHOOL PROPERTY**

Students are expected to show proper respect for other people's property and school property, (i.e. bathrooms, walls, textbooks, etc.) Vandalism of these items will result in the student being held responsible for restoring the proper condition of the item by either monetary payment or work time. Students will also be given a detention or suspension. Books are to be covered according to the teacher's direction. Any damage to textbooks beyond that of normal usage shall be subject to fines. Lockers and desks are property of the school and may be opened without the presence of the students who use them.

## **SERVICE PROJECTS**

In order to achieve our purpose of being of service to the community, each student in grades 6 through 8 must provide a minimum of 15 hours of service to the school community during the school year. Each class (K-8) will be asked to engage in a class service project at least four times a year. This service component will be monitored and supervised by your homeroom teacher and/or your Student Council representative.

## **SKATEBOARDS/ROLLERBLADES**

Students are not allowed to bring skateboards or rollerblades to school.

## **STUDENT COUNCIL**

Holy Family Student Council follows guidelines set by the Association of Catholic Elementary School Student Councils. The purpose of the Student Council is to develop maximum participation in school activities, student pride and to encourage full cooperation with the faculty for the general welfare of the school. Various fund raising activities are sponsored by Student Council to finance some school events or activities. A faculty member functions as a moderator for the Student Council events, activities and meetings. All Student Council activities are subject to the Principal and faculty's approval.

## **STUDENT RESPONSIBILITIES**

Holy Family Parish School students are encouraged to participate in a variety of activities, which include Student Council, Safety Patrol, Catholic Youth Organization (CYO) Sports, Boy Scouts, Altar Servers, and Youth Choir.

### **Altar Servers**

Boys who are nine years old or older are encouraged to train for serving at the various liturgies.

### **Bicycles**

Students are to walk their bikes at all times when on the school grounds and in the building. Students need a bike pass to place their bikes in the school basement.

### **Emergency Drills**

Emergency exit drills are held once a month. Students are to walk quickly to their assigned place in ABSOLUTE SILENCE. One student from each room will be assigned to check windows and doors.

### **Field Trips**

Parents are asked to note carefully all arrangements for field trips. Written parent request and permission is absolutely necessary for any student to participate in the field trip. Students who do not have a signed permission slip will not be allowed to go on the trip. Phone calls will not be accepted in place of the written form.

Participation in field trips is a privilege. No student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements. It is understood that the school is not liable for accidents occurring on field trips.

### **TARDINESS**

It is very important for parents to bring their children to school on time. When a parent brings a student late to school, it indicates to the student that education is not important. It is a bad example for the student and diminishes the importance to being on-time in whatever he/she does in life. It is also very disruptive to the teacher and to the entire class. It disrupts the flow of the class in session, and places the child in a situation where he/she has already missed an important part of the lesson being taught.

Students who arrive late must first report to the office with their parent for a tardy slip to be presented to the classroom teacher. The parent must sign the tardy slip. If a student comes to school without a parent, the student will bring home the tardy slip for the parent to sign. The parent will bring the tardy slip back to school the next school day. Students who are late for school due to medical appointments need to bring a doctor's note to receive a medical tardy.

To encourage students to be on time, Holy Family Parish School will reward students who are on time to school. Students who have not been tardy once for an entire month will receive a Free Dress Pass the following month.

### **TELEPHONE PRIVILEGES**

The office telephone is available to students in emergency situations. A student must have staff authorization to make telephone calls from school.

### **TEACHER IN-SERVICE DAYS**

Teacher in-service days will be announced in your school calendars. You will be notified in advance whenever it will be necessary for an early dismissal.

## VACATIONS

Vacations taken when school is in session are discouraged. When students are absent from school because of vacations, parents are asked to inform the Principal and teacher in advance. **In the event a student is missing for an extended period of time due to a family trip, it is difficult and sometimes impossible for teachers to generate make-up work before a trip, therefore assignments will be available after a student's return from vacation.**

Please remember that we are in session during Holy Week, and we highly discourage vacations during this special time of the liturgical year.

## VISITORS

All persons not enrolled as students must identify themselves at the office when first entering the school building. When checking in at the office to help out in the building, you must pick up a Visitor's Pass. This identifies you as a visitor to the staff and students. We ask that you leave lunches, messages, etc., for your child(ren) at the school office rather than going to the student's classroom.

Parents picking up a student for a medical appointment **MUST REPORT TO THE OFFICE**, not to the classroom. Students **ARE NOT** allowed to leave the building during school time **UNLESS** a parent comes into the school and signs them out.

Items forgotten by the students are to be left in the office and the student will be directed to pick them up. Parents are not to take them to the classroom.

During school hours, the faculty room is reserved for **FACULTY USE ONLY** unless the Principal requires it for a meeting that cannot be conducted anywhere else.

## VOLUNTEERS

Parent volunteers are a needed and a welcomed enrichment to Holy Family Parish School programs. We ask each parent to examine his/her particular interests and talents when volunteering. Information forms are sent to each family during the school year. We hope to hear from all parents. Volunteers must respect the confidentiality of all teachers, students and parents of Holy Family Parish School.

### **Classroom Volunteers**

It is because of the parents' interest and generosity that Holy Family Parish School is able to continue to provide quality classroom experiences for your children. The teacher may depend on your presence in the classroom on a regular basis, and may plan his/her lessons with your help in mind. Children need adults who will consistently model values and actions in which are in accordance with our Catholic-Christian philosophy. The uniqueness of each child must be considered and strict confidentiality of each child's progress must be observed. If you have any questions regarding a child's progress, please discuss this only with the teacher or the Principal.

When you arrive at school:

1. Please check in at the office and obtain a visitor's nametag.
2. Let the office staff know what classroom you will be working in.

If you cannot make your scheduled classroom volunteer time, please call the school office and leave a message for the teacher so he/she can make any necessary changes in the plan for the day. The individual teacher you work with will provide you with a detailed plan for your involvement in his/her classroom. Please discuss classroom discipline procedures with the teacher so you understand the classroom rules.

Remember to record your commitment hours on the calendar and return it to the office.

### **Playground Volunteers**

Thank you for your time and willingness to assist in supervising the playground. It is because of you that Holy Family Parish School's playground is a safe place for our students.

When you arrive at school:

1. Please check in the office.
2. Please sign in and get a Visitor's Pass.
3. Get a fanny pack equipped with a pen, latex gloves, red/green cards and tissues.

If you cannot make your scheduled playground volunteer time, please call the office. The playground supervisor will then notify a teacher if more help is needed on the playground. It is important that you are visible and circulate in your assigned area. To ensure the safety of the children in your care, please do not use this time to visit with other playground helpers. Most safety concerns and altercations between children can be avoided by watching facial expressions, body language and the manner in which games are played and equipment is being used.

It is always better to be able to intervene in a friendly manner before feelings or bodies are injured. If we visit, even when watching the children with our eyes, we can easily miss the clues to trouble. Things happen in a flash. It is imperative to concentrate fully on the children. It is necessary to be not only physically present, but mentally present with the children.

In these days and times it is necessary to have the children in your sight at all times. Playing behind the portables or beyond the fence could be dangerous because the children would not be visible or not protected by a boundary. Encourage students to get involved with other students. Discourage students from wanting to stand around and visit with you. Interact positively with the students. When a student violates a rule, try a verbal reminder first. Use a respectful but firm voice. If you have any problems with a student, don't get into a verbal confrontation. Contact the supervisor.

Please let the playground supervisor know if you are having any difficulties with any student. She/he can determine if the child needs to be sent to the office. Please notify the playground supervisor immediately for physically dangerous, insubordinate or illegal (examples: drugs/weapons) behavior.

We will try to have outdoor recess unless it is raining very hard. If we do have indoor recess, students in grades 1 through 4 stay in their own classrooms. Students in grades 5 through 8 will stay in the lunchroom. Be sure to dress appropriately for weather. Our playground can be windy and chilly even when the sun is shining. Wear appropriate shoes. Hats, mittens, gloves, and umbrellas also come in very handy. Remember to record your commitment hours and return it to the office.

## **Playground Rules**

Their classroom teacher has taught students these rules. Be sure you understand these rules and are prepared to be consistent in providing students with positive feedback on correct behavior and corrective feedback when a rule is broken.

1. Students will show pride in their school by keeping the building and grounds free of litter.
2. Students will settle differences peacefully. Stop/Think/Plan
3. Students will show respect for others and follow instructions given by the playground supervisors.
4. Students will not play roughly on the playground.
5. Students will stay away from puddles and mud.
6. Students will stop what they are doing when the whistle blows and need to line up to get to class quickly.
7. Students will leave rocks, sticks, pinecones and other dangerous objects alone.
8. Students will observe the school boundaries at all times.
9. Students will use only appropriate playground equipment and they will use the equipment appropriately. No hardballs or bats.
10. Students must ask permission before leaving the playground for any reason.

## **Consequences for Rule Infractions**

- **First Infraction:** Verbal reminder with redirection.
- **Second Infraction:** 2 minute time out with playground helper.
- **Third Infraction:** Take child to playground supervisor or send for playground supervisor. If a child refuses to comply, send for playground supervisor immediately.

## **UNIFORM POLICIES**

The school uniform must be worn at all times, with the exception of free dress days and meeting days for Scouts. ## **HOLY FAMILY PARISH SCHOOL TUITION POLICIES**

---

### **PREAMBLE**

To provide equality and fairness in offering an opportunity for a Catholic education to all our children, and to recognize the necessity for a sound tuition base to assure financial stability, accountability, and solvency in operating Holy Family Parish School, the School Commission

adopts the following “Tuition Policy”.

## **TUITION AND FEES**

The tuition charged for each student covers only a portion of the cost of educating that child. The parish and all of its members, including non-school families, generously support and subsidize the school, and to them we offer our sincere thanks.

### **There will be two tuition rates:**

1. Non-parishioner and/or non-contributing parishioners: The tuition rate for this will be a non-subsidized amount covering 100% of the cost of educating each child.
2. Active contributing parishioner: the tuition rate for this will be a reduced parish subsidized amount. “Active Contributing Parishioner” is defined as: a registered, regularly attending member of Holy Family Parish who contributes to the support of the Parish by a weekly “Sacrificial Offering.”

The tuition rates and school fees are to be established yearly by the School Commission. Tuition and Commitment Contracts must be signed at the time of registration. Registration fees are non-refundable.

The tuition is paid in twelve (12) equal monthly payments beginning with the month of July preceding the new school year and ending with the following June. For families that register after June 15, tuition will be paid in ten (10) equal payments beginning in September.

Tuition refunds for transferring students will be pro-rated for partial months attended. Incoming student’s tuition will be pro-rated on a ten-month basis.

## **TUITION PLAN**

In the spring prior to the new school year, school staff will provide parents with information regarding the tuition payment policy, including available payment options, length of payment period and effective starting date.

## **PARISH COMMITMENT**

---

School families are expected to financially support the parish. Parish contribution must be current by school registration time. Families who do not meet their financial commitment will have their school tuition subsidy removed, and be charged at the non-parishioner rate. Such tuition will be due and payable immediately. If a family has difficulty in meeting its financial commitment, arrangements with the Principal should be made. It is the obligation of the family to initiate this.

## **SCHOOL PARENT COMMITMENT**

In following our Lord’s call that we not only give of our treasure, but also of our time and our talents, the Holy Family Parish School Commission has established a required Commitment Program for **ALL** school families. The time commitment for the 2009-2010 school year as set by the School Commission is 40 hours for grades 1-8, of which 8 hours shall be devoted to major fund-raisers. For single parent families, Kindergarten and Pre-Kindergarten the total hours

required is 20, 4 of which shall be devoted to major fund-raisers. The entire parish generously supports the school community; therefore, we feel it is only fitting and proper that the school community lends its support to the parish. In requiring all school families to donate a specific amount of time each month, it is our hope that a greater sense of community and involvement will be felt by all.

The time requirements will be approved by the School Commission and stated on the tuition contract. Commitment time may be given to any parish organization, such as Parents Club, CCD, choir, St. Vincent de Paul, coaching, fund-raising, Scouts, etc. Involvement of family and parents is the purpose of the Parents Club. Completion of commitment hours will be monitored by the Parents Club and reported to the School Commission quarterly, reflecting the accomplishment of service agreed to in the commitment contract signed by each family.

The School Commission realizes there are many working households in our parish and that some families find it very difficult to find the time to engage in a commitment program. Therefore, a "buy out" option is offered wherein families may buy their time requirement. The "buy out" rate has been set by the School Commission at \$15.00 per hour. If a family does not fulfill its commitment time requirement, the remaining hours will be billed at the \$15.00 "buy out" rate. This amount must be paid before registration and any tuition payments will be accepted for the following year.

It is not the intent of this policy to discriminate against or work an extreme hardship on any family, single parent families in particular. Therefore, if this requirement cannot be met, arrangements may be made with the Parents Club to defer a portion of time.

## **FINANCIAL AID (REVISED MAY, 2005)**

---

In the spirit of Christian charity and recognizing pastoral responsibilities, the School Commission has adopted a policy that no child shall be denied admission to Holy Family Parish School solely because of financial inability of families to meet tuition requirements. With that in mind, families need to be aware of the Educational Assistance Programs that are available to those qualified. Those programs are as follows:

1. Archdiocese Tuition Assistance Grant for Catholic Schools: This fund is administered solely by the Archdiocese each year and grants are awarded primarily on the basis of financial need.
2. Holy Family Parish School Educational Assistance: The Holy Family Parish School Commission administers this program and assistance is also awarded primarily on the basis of financial need. This program can be viewed as two-fold:
  - a. Deferred tuition: Tuition payments may be deferred or restructured to meet a family's income fluctuations.
  - b. Reduced tuition: Financial aid may be granted for a portion of the tuition when a family's income does not allow for full payment.

Families who will experience financial difficulty in meeting tuition requirements and who wish to apply for assistance are asked to proceed as follows:

## **ARCHDIOCESAN GRANTS**

During January of each year, obtain from the school office an Archdiocesan Application and return the completed form with enclosures to the Principal before the published closing date. These applications must be timely filed to preserve eligibility.

## **HOLY FAMILY PARISH SCHOOL EDUCATIONAL ASSISTANCE**

Assistance applications are sent out in the beginning of March by request. The forms need to be filled out and returned with the required documents. The Scholarship Committee will review applications, set-up interviews with applicants as needed and make their decision by the beginning of October. Financial Aid from the Educational Assistance Fund will only be given out June for the upcoming year.

In addition to parent requested assistance, Holy Family Parish School also offers special student scholarships. Each scholarship is worth five hundred dollars toward next year's tuition. The following special scholarships are offered to students:

The Knights of Columbus Scholarship  
The Tomsits Scholarship  
The Randy Terlicker Memorial Scholarship  
Sisters of Providence Scholarship  
Al Pricco Memorial Scholarship  
The Iris Weaver Scholarship

These scholarships are awarded at the Awards Assembly on the last day of school. Families are given information in the FCE concerning requirements, procedures, and deadlines for these scholarships.

## **PROCEDURE FOR HANDLING DELINQUENCY IN PAYMENT OF TUITION**

Policy # 1411.5

1. After the first month, a letter of the non-currency will be sent to notify the family and a \$10.00 late fee, will be charged.
2. After the second month, a letter of non-currency will be sent to notify the family and an additional \$50.00 late fee will be charged. The family will be contacted by phone by the Principal to ensure information has been received and understood.
3. After the third month, if the family has taken no action, a letter will be sent notifying the family that a three-month delinquency will require termination of enrollment. The family will be contacted by telephone and required to meet with the Principal to discuss the situation.
4. At the end of the school year tuition must be collected or an alternate plan must be in writing and signed by the family, Principal, and Pastor.
5. All tuition payments must be current by registration time in March. Registration for the following year will not be permitted unless present tuition and fees are paid current, or special arrangements with the Principal have been made. These arrangements must be made in person, put in writing and signed by the person(s) making the request and by the Principal. Tuition must be current by year-end for all transferring or graduating students. Records for these students may be withheld in the event of non-payment. Tuition not received will be turned over to a collection agency.

6. Eighth grade families must have all tuition current in January; otherwise Holy Family Parish School will not send the high school recommendation. Eighth grade families must have all tuition, commitment hours and fees paid by May 15<sup>th</sup>. If not, students will not receive their diploma and may be excluded from graduation events until all financial obligations are met

## **PARENTS' COMMITMENT PROGRAM (Revised June 2001)**

---

The purpose of this volunteer commitment is to allow all parents to become more involved in their children's educational environment while at the same time allowing our school to fulfill many operating functions that would otherwise require paid personnel, thereby impacting the tuition structure significantly. In other words, to provide a comparable level of service without your help, tuition would have to be increased. As you can see, your volunteer time is extremely valuable.

### **DOCUMENTATION OF YOUR COMMITMENT HOURS**

Your hours will be recorded on a monthly calendar, which will be sent home by means of the FCE (Family Communication Envelope.) Each family is responsible to fill their hours in and return the calendar promptly at the beginning of the next month. Calendars will be attached to your commitment contract for July/August/September, which you will receive at registration night. Please be clear what your commitment was for; do not just write 2 hours. Also please print; it is easier for the person recording to read.

### **Consequences**

Your commitment must be fulfilled and/or in good standing prior to registration for the upcoming school year. Also, no school records will be transferred, and/or report cards will be held at the finish of the school year until this commitment has been satisfied. Parents Club takes this stand not to penalize anyone, but rather because there is an extreme need for this commitment from parents. Remember, if problems exist or arise, contact the board. Your contract and special needs would be held confidential and must be renewed each school year.

### **General Comments**

A school family cannot give their extra hours to another school family. If you have friends/relatives who do not have children in Holy Family Parish School that are doing commitment time to help you out, their hours will be accepted. It is your responsibility to make sure that they put your name along with theirs on the sign-in sheet for functions. Be sure to sign-in and out.

Students in 6th through 8th grades are required to do so many “Student Service Hours” throughout the school year. These hours cannot be used towards family commitment time. If your student is helping out at lunch as a server, you cannot put this down as commitment time. If you are ever in question, always ask a board member or the commitment chairperson.

**OUTDOOR EDUCATION FOR CAMP WASKOWITZ**

---

Policy 1210.1 (Revised May 2003)

The Camp Waskowitz Outdoor Education Program is a part of the 5<sup>th</sup> grade curriculum. **It is not an optional situation as it reflects directly upon grades and encompasses every subject.** Holy Family Parish School has a contracted/full-time instructor to be with the students during the week of their attendance at Camp. The only excused absence from Camp is illness with a doctor’s written note recommending that the student avoid outdoor activities. A student who

misses Camp due to an illness is responsible for making up missed work. The student's family must make arrangements for the student not to be at school during Camp week if the student does not attend Camp.

Payment for this important educational experience is the responsibility of the parents of 5<sup>th</sup> grade children, and they are urged to hold approved fund-raisers to meet this obligation. Otherwise they must pay the entire amount individually. The fundraisers are an opportunity for 5<sup>th</sup> grade students and parents to work together for a common good. If the 5<sup>th</sup> grade parents choose to fundraise then everyone must participate in the fundraisers. If you choose not to participate in the fundraising then you must pay the entire Camp fee up front.

Parents are to consult with the Parents Club Board to plan the fund-raisers. The Parents Club Board must approve the fund-raisers. In May, therefore, parents of 4<sup>th</sup> grade students should meet with the Parents Club Board for the purpose of planning, organizing, and conducting specially earmarked fund-raisers over the summer and early fall.

All proceeds from the 5<sup>th</sup> grade fundraising efforts must be deposited in the Parents Club bank account and earmarked for Camp. If funding efforts fall short, 5<sup>th</sup> grade parents are responsible for making up the difference. If in the event that the total cost of Camp is met through fundraisers any funds raised above that will be contributed to the Holy Family Parish School Camp Waskowitz Fund as a gift for next year's 5<sup>th</sup> grade families.

## **ADMISSION OF STUDENTS WITH INFECTIOUS DISEASES**

### Policy 1416

The Holy Family Parish School considers infectious diseases and/or life threatening diseases as a medical condition and considers it as a disability. Holy Family Parish School does not discriminate on the basis of disabling conditions. However, there may be some student with infectious diseases and/or life threatening illnesses when it is medically justifiable. The cases for admission will be dealt with on a case-by-case basis. In the case of students infected with the HIV virus (AIDS), admission may be restricted if the conditions described below exist:

1. Students who lack control of their body secretions and are not toilet trained.
2. Students who have non-coverable oozing lesions.
3. Students who display physically aggressive behavior such as biting or a history of harming others.

### Management Plan for AIDS in School:

- A. The aim of this management plan is to allow Holy Family Parish School to continue to serve with compassion, justice, and concern for all; those who are infected with the HIV virus and those who are not. The proposed plan should adopt a pastoral team approach whenever such occasion arises. The identity of the infected person (student or teacher) as well as all health and other pertinent records shall be kept confidential. The number of people who are aware of the student's/teacher's condition should be kept at a minimum.

The team will include the following:

1. The Principal
2. The Pastor
3. Student's parent or legal guardian (or the infected teacher)

4. The infected person's physician
  5. A person with expertise in AIDS and approved by the Holy Family School Commission
- B. The Superintendent of Schools will be informed when such a consultation is to take place and will be apprised of the results. All medical, legal and educational decisions shall be made in writing. In each case the risk and benefits to both the student/teacher and others in the setting should be weighed. If there are disagreements about the results, the final decision rests with the Superintendent of Schools.
- C. Students infected with the HIV virus should be allowed to attend school and participate in all activities in an unrestricted manner. However, students could be restricted from school for reasons of the infection if the following exceptional conditions are evident:
1. Students who lack control of their body secretions and are not toilet trained.
  2. Students who have uncoverable oozing lesions.
  3. Students who display physically aggressive behavior such as biting or a history of harming others.

A student may be placed in home study pending team review.

The hygienic practices of an HIV infected child may improve as the student matures, or they may deteriorate as the student's condition changes. For these reasons the need for a restricted or unrestricted environment should be reevaluated regularly if necessary. The school should provide facilities for the student to access the classroom (i.e. wheelchair accessibility.)

Appropriate Arrangement: A student identified as HIV infected who is excluded from attending school shall be provided with information regarding appropriate programs at the proper grade level.

Education: Holy Family Parish School will annually submit a timeline of the planned instruction on the HIV infection. This instruction for parents, students, and other personnel is to be based on modified NCEA Curriculum entitled "AIDS A Catholic Educational Approach" which has been approved by the Archdiocese.

If a student or employee is identified as having AIDS, the following plan will be adopted:

1. Team approach regarding placement of student/teacher as described above.
2. Repeat parent session if the first session has insufficient participation. Even if the information/education sessions have been held earlier prior to the occurrence of AIDS in the school, it is essential to repeat them.
3. Effective communication with parents (including a repeat of AIDS education with parents, teachers, school personnel, and students if deemed necessary). Parents' session should include both an invitation and some information about the parent session. This letter should be from whom ever would be the most effective invitee to this session - Principal, Pastor, local school board president. Education of teachers and other school personnel, volunteers, custodians, etc., and students should also take place.
4. Special communication from the Pastor to the school community in the form of a pastoral letter could follow. A call to compassion could be emphasized in the letter, informing the school community about the presence of the teachers/student with AIDS.
5. Consult Archdiocesan legal and insurance personnel as soon as possible.
6. Importance of being proactive and provide education cannot be over-emphasized.
